

High Performance Gloves

2022
Dealer Catalog

So.....Why Olympia?

At Olympia gloves, we're proud of our past ... after 80 years, who wouldn't be? But we're not resting on our laurels. We're focused on building the future.....

We first began manufacturing gloves for the **U.S. Military in World War II**. A legacy we're truly proud of.

We're not known for trendy styling or racing gloves. But that's OK....Not every rider is on the track.

We **ARE** known for producing quality, high-performance gloves at fair prices. Classic gloves with great fit and feel, and with all the technical features you need, **for less.**

We welcome you to our 2022 collection of Olympia Motorcycle Gloves. You'll see that we've expanded our offering to include some great new styles at sharp price points that will increase both your glove sales and your bottom line.

On the Road Since 1941.
